Mail Stop Petition
Commissioner for Patents

Dear Sir:

**PETITION REQUESTING WITHDRAWAL of HOLDING OF ABANDONMENT
UNDER 37 CFR §1.181(a)**

Applicant petitions the Commissioner to withdraw the holding of abandonment. Attorney for applicant, having firsthand knowledge of the facts, asserts that the US Basic National Fee was filed with the application and within 30 months of the priority date.

I. FACTS

The above-identified application was submitted to the USPTO on June 20, 2005, within 30 months of the priority date of December 20, 2002. The

application was received by the USPTO and assigned a filing date of June 20, 2005 and an application serial number, as indicated on the postcard mailing receipt. A copy of the postcard mailing receipt is attached as Exhibit A. The postcard mailing receipt also indicates that a charge form for \$690 to cover the filing fee was received by the USPTO. A copy of the charge form is enclosed as Exhibit B.

However, the Office did not mail a filing receipt nor a notice of missing fee. See PAIR file history, attached as Exhibit C. On November 28, 2005, the applicant's attorney received a notice of abandonment dated November 18, 2005.

II. WITHDRAWAL of ABANDONMENT

Per 37 CFR 1.181(a), MPEP §711.03(c) (I) (A), and *Delgar v. Schulyer*, 172 USPQ 513 (DDC 1971), an allegation that an Office Action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw and remail the Office action.

37 CFR 1.53(f)(1) requires that a notice of missing fee be sent if the fee is missing and a correspondence address is provided. Applicant's attorney has provided a correspondence address as evidenced by the Notice of Abandonment, however no notice of missing fee was received. Examination of PAIR indicates no such notice was sent. See Exhibit C.

III. ATTESTATIONS

The undersigned attorney attests that a notice of missing fee was not received by the practitioner and that a search of the file jacket and docket records indicates that the Office communication was not received and that it was not mailed by the Office.

The undersigned attorney further attests that the exhibits enclosed herein are true copies of the documents filed and received.

IV. CONCLUSION

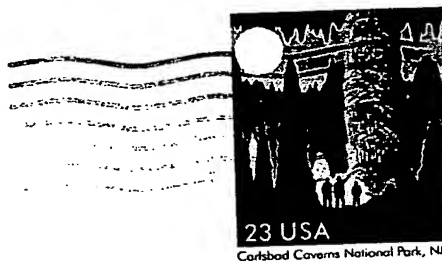

Therefore, the Attorney for applicant, having firsthand knowledge of the facts, believes that it submitted the required fee, but that for some reason it was not charged by or received by the USPTO. This problem could not have been remedied sooner because the Attorney for applicant did not know until last week that the fee was deemed missing. For this reason, the application should be revived.

Applicant includes a new charge form for \$690 to cover the US Basic National Filing Fee. Applicant respectfully requests that the Commissioner revive the above-identified application or, in the alternative, mail a notice of missing fee so that Applicant can submit the appropriate fee at that time.

Respectfully submitted,
